## Crown Audio, Inc. and The Restriction of Hazardous Substances in Electrical and Electronic Equipment (RoHS) Directive (2002/95/EC).

**Crown Audio announces that effective July 2006 all of their products listed below are RoHS compliant, and those products listed that are available for export are lead-free and RoHS compliant.**

Crown Audio is committed to eliminating the use of hazardous substances in the materials, manufacturing and packaging of our audio amplifier and other audio products in strict accordance with the RoHS directive.

### **Crown Audio RoHS Compliant products:**

- **CDi Series**
- **Commercial Audio Series**
- **CTs Series**
- **DSi Series**
- **I-Tech Series**
- **PIP modules (all)**
- **PZM11LL Microphone**
- **XLS-D Series**
- **Xs Series**
- **XTi Series**

Crown Audio is assuring that all of its products listed above do not contain, or contain within acceptable limits, any material outlined in the RoHS directive. Each individual component of the amplifier and other audio products has been carefully examined. Circuit boards, electronic and mechanical components, powder coats, paints, and manufacturing processes have been examined for RoHS compliancy and updated where necessary.

All RoHS compliant product shipped will be clearly externally marked as compliant on the packaging.
